

Food Labeling

**What is the entry reviewer
looking for?**

Merril Racke

Bob Rodriguez

Brigitte Hofmann

Disclaimer

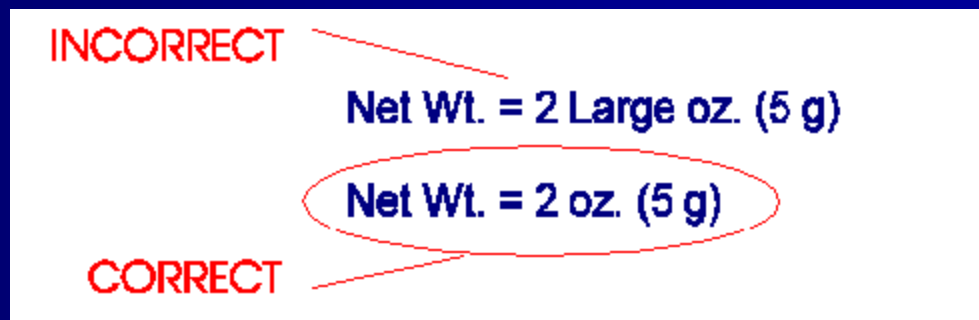

Code of Federal Regulations title 21 sec 10.85

- (k) A statement made or advice provided by an FDA employee constitutes an advisory opinion only if it is issued in writing under this section. A statement or advice given by an FDA employee orally, or given in writing but not under this section or 10.90, is an informal communication that represents the best judgment of that employee at that time but does not constitute an advisory opinion, does not necessarily represent the formal position of FDA, and does not bind or otherwise obligate or commit the agency to the views expressed.
