REACH Compliance Seminar

- This half day seminar will include active audience participation, real life case studies and compliance plans developed from audience input.
- If your company currently does business in the EU or has clients who sell to the EU, REACH and RoHS are likely business requirements you will have to meet in order to fulfill orders for them.
- If your company is publically traded or does business with a company that is, the Conflict Mineral segment is a must attend as this law is soon to be published by the SEC!

WHEN: October 27, 2011

8:30 a.m. - 1:00 p.m. (breakfast & lunch included)

Registration Fee: \$50

1 on 1 meetings available after the seminar with guest speakers

WHERE:

*1 GOJO Plaza, Suite 500
Akron, Ohio 44311*

AGENDA

- **RoHS/RoHS II:** Regulation updates, best practises for compliance and real world examples
- **REACH Compliance:** Overview, current trends and compliance made easy
- **Conflict Mineral Compliance:** Full explanation of business requirements and steps to compliance
